

# Product Technical Data Sheet

**SKU Code:** MWB810

**Product Category:** Microwave & Oven Containers

**Single Information** **Polypropylene**

**Length:** mm

235

**Width:** mm

145

**Height:** mm

40

**Volume:** cc

770

**Weight:** g

17.87

**Thickness**

Unknown

**Max Temp °C**  
100

**Min Temp °C**  
-18

Recycled \*

Reusable

**Case Information**

**Length:** mm

600

**Width:** mm

250

**Height:** mm

600

**Volume:** m³

0.09

**Weight:** kg

7.8

**Case Qty:**  
400

## Additional Information

\* Material shares 70% recycled 30% virgin.

\* Despite the coldest temperature is -18°C, This item can be frozen but are susceptible to shattering. It is the responsibility of the customer to test actual product in real temperature before approval for use.
